### CLARION CALL TO ALL BIAFRANS

#### War in the Niger Delta

This is a "Clarion Call" to Biafrans - be you Annang, Efik, Ibibio, Igbo, Ijaw, Ogoja, Ogoni, Itsekiri, Esan, Isoko, or Urhobo. The time has come for every Biafran, no matter your station in life to join hands with all the liberation movements in Biafraland to chase the Nigerian Colonial master and her forces of occupation out of our fatherland.

The marvelous new militancy which has engulfed the Niger Delta region must be sustained, we salute their courage, and we must rise in oneness and solidarity with MEND for this great stride. The divide and rule strategy by the oppressor which lead to distrust amongst our peoples must cease, we have come to realize that Delta destiny is tied up with Upland destiny. And finally we have come to realize that Delta freedom is inextricably bound to Upland freedom.

The Nigerian vandal's (army of occupation) war of genocide is boundless, it has become their part-time to kill Biafrans anywhere in Nigeria and in our homeland regardless of whether you are Delta or Upland. Regardless of whether you are Annang, Efik, Ibibio, Igbo, Ijaw, Ogoja, Ogoni, Itsekiri, Esan, Isoko, or Urhobo. The standing order given to them by their field commander, war criminal Brig. Benjamin Adekunle in 1967 was "shoot at anything standing, animate or inanimate" still holds sway today. The new monster Yar Adua re-echoed the same order which has resulted in the total destruction of **Azama, Kunukunuum, Kuritie, Okerenkeko, Oporoza, Benikurukuru, Okoaranko,**

**Kolodia-Gbe, Gbaramatu and Abaala, a town in Umuahia; as well as occupying Kiama, Odi, Opokuma, Yenagoa, Bomadi, Patani, Okrika, Degema, Bonny, Buguma, Abonnema and Okwe in the last few weeks.**

Apart from the current onslaught by the vandals, we are not unmindful that majority of Biafrans are facing great trials and tribulations. On a daily bases, some of you are visited with unimaginable aggression by the Nigerian imperialist forces, an environment where your quest -- quest for freedom left you battered by the storms of persecution and staggered by the winds of police brutality. You have been the veterans of creative suffering. **Continue to work with the faith that "unearned suffering is redemptive"**. And so even though we face the difficulties of today and tomorrow, we still have a dream. It is a dream deeply rooted in the Biafran dream, a dream which our fathers proclaimed on May 30, 1967. Let us remain resolute in our quest for a free Biafra. Stand up for your right and take back your freedom by any means possible because the aggressor will not give you your freedom free.

**Biafrans Shall not see the "Dance of Death"(a euphemism for the mass executions by Nigerian vandals during the war) again.**

**To The Efulufus:**

To you vagabond among us who have chosen to be silent in the face of unbridled tyranny, persecution and extermination of innocent Biafrans. You feel good with the stipends you receive from your masters, speak up now against injustice or remain silence for ever but remember that a day of reckoning is coming and must come. We mean: Jonathan, Edwin Clark, Anthony Enahoro, Spiff, David Ejoor, Samuel Ogbemudia, Anini, Kimse Okoko, Horsefall, Nowa Omogui, Prof Omo Omoruyi, Generals Obada, Patrick Aziza, Dominic Oneya, Alexander Ogomudia, Rear Admiral Augustus Aikhomu, Duke, Ita Giwa, Alex Ekwueme, Ngige, Obi, Chinwoke Mbadinuju, Iwuanyanwu, Ebitu Ukiwe, Emeka Anyaoku, Orji Uzo Kalu, Theodore Orji, James Ibori, Uduaghan, Vincent Ogbulafor, Arthur Nzeribe, ojo Maduekwe, Ike Nwachukwu, Wayas, Uba, Rochas, Odilli, etc.

**To Derailed Compatriots:**

To all of you who have sold out, you preferred the bribe and oil blocks from the corrupt Nigerian junta and have remained watchers instead of actors, the question is for

how long? Very soon and pretty soon, you will be used and dumped by the same junta, like those before you. Like the proverbial bat, that forever has remained hanging between heaven and earth, you will continue to float and will remain in that unstable state forever. You shall not see Biafra. We are watching you, there is no hiding place. Same goes to these leaders who have deceived the people and compromised viz, The MASSOB Leader - Chief Ralph Uwazurike and NDVF Leader - Asari Dokubo, watch what you are doing.

**To Biafran Youths:**

You cannot put a price on your freedom. Freedom and liberty are simply priceless. Youths of Biafra always insist on nothing other than your freedom, independence and sovereignty. That's all. No more no less.

You have no future in Nigeria. Stop talking of marginalization, resource control, national conference and true federalism. Niger Delta Ministry, NDDC, summits, peace talk/amnesty, are mere smokescreen, deception and tools for buying time. The whole world knows by now that Nigeria is a failed state and will soon fissile away.

Talk of the following:

- Biafra Actualization our goal
- Sovereign and Independent Biafra is a given
- Self Determination for Biafra, Natural and Political Right to Self Determination, Exercise of our Right to Self Determination is not negotiable.
- Biafra Independence, Biafra Sovereignty is irrevocable.
- Non-cooperation with Nigeria's exploitative and genocidal policies
- Non-exodus—no displacement or evacuation from our land, and no exile for our people

**To the World:**

The problem of the Niger Delta is not a "development problem." It is a "justice problem." If the Hausa Fulani Yoruba leave the land, mineral and water of the Niger Delta for the people who own those things the problem in the Niger Delta will end in twenty four hours. The only thing that can guarantee peace in Nigeria is justice and respect for Biafra Sovereignty. The business world has an ample

chance of reverting to doing business with Biafrans before they are chase out of Biafraland.

**To Nigerians**

To Hausa Fulani Yoruba barbaric government of Nigeria. Hausa Fulani Yoruba are bloody parasites feeding fat on the resources and labour from Biafraland for the past 50 years and it is time to go, the game is up. Nigerians [Hausa/Fulani/Yoruba] have been advised for their own interest to return to their country before this war escalates, sure it will. We will still do business with you within the UN guidelines of cooperation among independent nations.

We are aware of your military build-up around Biafra, arms you procured with budget meant for the development of the Niger Delta Region. We can assure you that this is one war, the failed state of Nigeria can not win because this not an arms war but a moral war. And history is on our side, that oppressed people all over the world have always gained their freedom, no matter how long and how desperate the oppressor is. History is on our side, that pseudo republics like Nigeria have disintegrated in recent times and giving way to the emergence of progressive modern states. The world is waiting for Biafra, we shall win.
