Dear Mr. Ryser:

Enclosed is a preliminary outline of the volume on aboriginal rights that will be sent to the University of Toronto Press for publication. It represents, in our opinion, a very strong collection of papers and should prove to be an important work in this area.

In order to provide for an expeditious completion of the manuscript, we suggest the following timetable:

1. Receipt of all manuscripts by the editors no later than November 1, 1983;
2. Review of manuscripts by editors during November and December and return to authors for revisions, if necessary; (For those whose manuscripts we already have, any additional revisions should be made before November 1st.);
3. Completion of first final draft of the manuscript for submission to the University of Toronto Press by February 1, 1984.

We would also like you to expand the personal data on yourself contained in the contributors' list, if you feel it necessary. In addition, please complete the enclosed permission to publish form if you have not already done so and return it to me.

I look forward to hearing from you.

Sincerely yours,

J. Anthony Long
