Dear Sirs:

The Center for World Indigenous Studies, a non-profit corporation, will publish a journal every two-months beginning in October. Please send the necessary applications for copyright registration for a non-dramatic literary work. I believe the Form TX may be the appropriate application form. Please advise if this form may also be used for single document copyright.

The journal will contain articles of opinion and analysis.

Sincerely,

RUDOLPH C. RYSER  
Senior Fellow
