Dear Mr. Ryser:

On May 4, 1983 I wrote to you enquiring if you would be interested in writing a paper to be included in an anthology on aboriginal rights, for publication by the University of Toronto Press. We would very much like to have your perspective presented in this important volume. May I ask you to let us know soon whether or not you are interested in preparing a paper for the book? The deadline for publication of the book has been set back and we are ready to negotiate a time suitable to you. We are able to offer a \$250 honorarium for your work upon acceptance of the paper.

Sincerely

Menno Boltd
