Dona Juana:

Por la presente me dirijo a Ud. para transmitir la papel  
incluso: "The World Bank's New Indigenous Policy: A Change in  
international Economic Development Strategies". La Banco Mundial  
Indigenas Politica muy importante.

That Mexico is so deeply indebted to the World Bank and  
other lending institutions makes the Banco Mundial Indigenas  
Politica especially significant to the Pueblos Indigenas of  
Mexico. As you know, the gobierno de Mexico is seeking new  
loans from the Banco Mundial and the International Monetary Fund.  
These new loans and many of the past funds have doubtless impact  
on Pueblos Indigenas de Mexico.

I am sending you the enclosed paper and to Floriberto as well.  
I would appreciate your comments and reactions to the paper.

Esperando su grata y pronta contestacion, quedo.

De quien te estima
