Dear Sirs:

Over the last several days I have been reading news reports about your release of a publication on war and conflicts in the world. I have been told that you will make your report available at a cost of \$1 plus postage. I am, therefore, enclosing a check in the amount of \$5.00 to cover costs.

In addition to my request for a copy of your report on wars in the world, I would appreciate receiving a list of your other publications. I am particularly interested in studies concerning state weapons transfers and the cost to third and fourth world countries for weapons purchases.

Your immediate response to this request will be appreciated.

Yours sincerely,

RUDOLPH C. RYSER
