Near the end of the Eleventh Age in the Uinal of Kayab and on the first kin, Imix our story begins when Somé the seer foretold the arrival of the great catyclysm which brought the end to the Peoples of Puus. During the 17th Uinal in the 1360th tun in the Eleventh Age all human-kind would Our story tells of the lives and times of Itzamna, the maker of medicines and books, of Votan the explorer and navigator and of Gucumatz the teacher and leader. Our story is of memories of the lask great caticlysm in the Sixth Age when the Peoples of Atl suffered the first great upheaval and the prophesied end of the Peoples of Puus. The Universal reality of change and upheaval
