Pierre Sane of AMNESTY INTERNATIONAL says:

“ Reported abuses by Russia in Chechnya include **Summary Executions, Arbitrary Detentions, Direct Attacks on Hospitals and indiscriminate attacks on populated areas. There is compelling evidence** of wide spread **TORTURE, RAPE and BEATINGS of CHECHEN MEN, WOMEN AND CHILDREN.**”

Do you know that in the last twenty-Two months alone, **RUSSIA'S COLONIAL BRUTAL ATTACK ON CHECHNYA** has inflicted the following casualties on the **CHECHEN** people?

**EIGHTY THOUSAND (80,000) KILLED
THIRTY THOUSAND (30,000) CRIPPLED
FORTY SEVEN THOUSAND (47,000) CHILDREN ORPHANED
TWO HUNDRED AND FIFTY THOUSAND (250,000) MADE
REFUGEES**

Do you know that the pre-war population of Chechnya was under **ONE MILLION?**

Do you know that since the First Chechen war of 1994, **the Russian Army has killed twenty percent (20 %) of the Chechen population?**

Do you know that Russia practices **DISCRIMINATION** based on **SKIN COLOR AND RELIGION, against people it claims are it's citizens.**

**DOES THE HUMAN RIGHTS AND THE
GENOCIDE CONVENTIONS OF THE UNITED
NATIONS APPLY TO THE CHECHEN PEOPLE?**

The answer is an emphatic **“ YES THEY DO”**

THEREFORE, WE URGE ALL THE DELEGATES OF THIS UNITED NATIONS CONFERENCE AGAINST RACISM AND HUMAN RIGHTS ABUSES IN THE WORLD TO DEMAND FROM THEIR GOVERNMENTS AND THE UN TO ENFORCE THE ARTICLES ON HUMAN RIGHTS AND GENOCIDE IN CHECHNYA AND SAVE THE SMALL CHECHEN PEOPLE FROM EXTERMINATION.
