19 JAN.1987 - Major Kader and 190 soldiers of 19 EBR, Bangladesh army, from the army Camps at Nalkaba and Bhaibon Chara, carried out operations against landless Jumma people who have been rehabilitated in No. 2 Rehabilitation Area under Panchari, at 1600 hrs. BST. During the operations, many Jumma men and women were subjected to inhuman beating, tortures and rape. To mention here that Bangladesh government with the help and financial assistance from the Asian Development Bank(ADB), under the guise of Hill Tracts Development Programme, has nominally rehabilitated the landless slash and burn Jumma cultivators in this area only to deceive the international Community. In the name of rehabilitation of the landless Jumma people and the Development Programme for CHT, Bangladesh government has received financial assistance and loan from ADB the lion share of which has been spent for the illegal settlement of Bengalee Muslim infiltrators in the CHT. The aim of the operations was to uproot the Jumma people from this Rehabilitation Area in order to settle the illegal Muslim infiltrators. The victims of army atrocities -
